Class Curriculum

HIGHSCOPE

Bright Beginnings uses the HighScope Curriculum. HighScope's emphasizes "active participatory learning." This includes direct, hands-on learning experiences with people, objects, events, and ideas. HighScope takes the learning process to a higher level by applying methods that promote independence, curiosity, decision-making, cooperation, persistence, creativity, and problem solving in young children

Our program also follwows the Illinois Early Learning Standards.

This curriculum features learning in the following areas:

1. Approaches to Learning
2. Social & Emotional Learning
3. Physical Development & Health
4. Language, Literacy, & Communication
5. Math
6. Creative arts
7. Science & Technology
8. Social Studies

Class Curriculum Continued

Second Step

Is our social and emotional learning curriculum.

Heggerty

Is our phonological awareness curriculum that works on letter knowledge, letter sounds, rhyming, and blending, and segmenting words.

Classroom Assessment

Our program uses several types of authentic assessments to gather, record, and report information on your child's learning and development. Several times a school year, families will recieve a preschool skills summary packet that is based off the High Scope Curriculum. This "report card" contains a checklist for each area of devlopment as well as a written summary for each area of development.

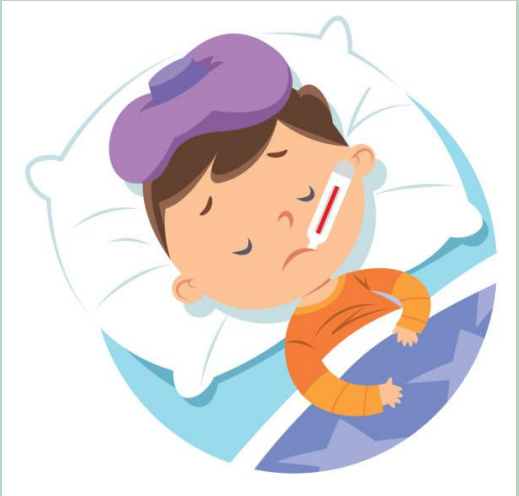
Sample of child's work, pictures, and written records are also used as an assessment that is sent home at the end of the school year.This is your child's portfolio.

*** Students who receive special education services, will also receive progress reports that are sent home at the same time as report cards for MGS K-8 students.**

When to keep your child at home

DO NOT send children to school displaying the following conditions:

- Fever (must wait 24 hours)
- Diarrhea or loose stools (must wait 24 hours)
- Vomiting (no vomiting for 24 hours)
- Mouth sores
- Sore throat
- Rash
- Eye Discharge
- Persistent coughing
- Persistent runny nose
- Illness which prevents the child from participating comfortably in program activities- this is often bad colds and coughs



Who to notify when child is sick?

- Message teacher through ClassDojo
- Email teacher
- Call Metamora Grade School 309-367-2361
