At no time shall any Committee member or employee intentionally require any other Committee member or employee to perform any political activity: (a) as part of that Committee member's or employee's duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
4. No Committee member or employee shall be required at any time to participate in any political activity in consideration for that Committee member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Committee member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Committee member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

2. Anything for which the Committee member or employee, or his or her spouse or immediate family member, pays the fair market value.

A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.
7. Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. Each of the listed exceptions is mutually exclusive and independent of every other.

A Committee member or employee, his or her spouse or an immediate family member living with the Committee member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under 26 U.S.C. §501(c)(3).

Enforcement

The Committee Chairperson and Executive Director shall seek guidance from the Committee attorney concerning compliance with and enforcement of this policy and State ethics laws. The Committee may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Executive Director or Committee Chairperson. If attempts to correct any misunderstanding or problem do not resolve the matter, the Executive Director or Committee Chairperson shall, after consulting with the Committee attorney, either place the alleged violation on a Committee meeting agenda for the Committee's disposition or refer the complainant to Committee policy 2:260, *Uniform Grievance Procedure*. A Committee member who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Committee. Committee Member Use of Electronic Communications

For purposes of this section, *electronic communications* includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Electronic communications among a majority or more of a Committee-quorum shall not be used for the purpose of discussing Cooperative business. Electronic communications among Committee members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Committee meeting agendas or information concerning agenda items
- Individual emails to community members, subject to the other limitations in this policy

In accordance with the Open Meetings Act, individual Committee members will not (a) reply to an email on behalf of the entire Committee, or (b) engage in the discussion of Cooperative business through electronic communications with a majority of a Committee-quorum.

2:140-E Exhibit - Guidance for Committee Member Communications, Including Email Use

The Open Meetings Act (OMA) requires the Executive Committee to discuss Cooperative business only at a properly noticed Committee meeting. 5 ILCS 120/. Other than during a Committee meeting, a majority or more of a Committee-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss Cooperative business. This *Guidance* assumes a Committee has seven members and covers issues arising from Committee policy 2:140, *Communications To and From the Committee*.

Communications Between or Among Committee Members and/or the Executive Director Outside of a Properly Noticed Committee Meeting

1. The Executive Director or designee is permitted to email information to Committee members. For example, the Executive Director may email Committee meeting agendas and supporting information to Committee members. When responding to a single Committee member's request, the Executive Director should copy all other Committee members and include a *do not reply/forward* alert to the group, such as: "**COMMITTEE MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender.**"
2. Committee members are permitted to discuss any matter except Cooperative business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Committee members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Committee member is not permitted to discuss Cooperative business with more than one other Committee member at a time, whether in person or by telephone or email. Stated another way, a Committee member may discuss Cooperative business in person or by telephone or email with only one other Committee member at a time. However, a Committee member should not facilitate interactive communication by discussing Cooperative business in a series of visits with, or telephone calls or emails to, Committee members individually.
5. A Committee member should include a *do not reply/forward* alert when emailing a message concerning Cooperative business to more than one other Committee member. The following is an example of such an alert: "**COMMITTEE MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.**"
6. Committee members should not forward email received from another Committee member.

When Must the Electronic Communications Sent or Received by Individual Committee Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a *public record* as defined by FOIA, unless a specific exemption applies. A public record is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body." 5 ILCS 140/2. Email sent or received by an individual Committee member may be, depending on the content and circumstances, subject to disclosure as a *public record* (unless a FOIA exemption is applicable).

If a Committee member uses a Cooperative-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Committee member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

First, the communication pertains to the transaction of public business, and

Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill.App.4th 2013).

The following *examples* describe FOIA's treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Committee member using a personal electronic device and personal email address while he or she is at home or work **would not be a public record**. Individual Committee members, alone, cannot conduct school Cooperative business. As stated earlier, emails among a majority or more of a Committee-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
 - b. Sent and/or received by an individual Committee member on a Cooperative-issued device or Cooperative-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the Cooperative.
 - c. Received by an individual Committee member on a personal electronic device and then forwarded by the Committee member to a Cooperative-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the Cooperative.
 - d. Received by an individual Committee member using a personal electronic device and personal email address, and then forwarded by the Committee member to enough members to constitute a majority or more of a Committee-quorum **will be a public record** and subject to FOIA. The electronic communication is in the Cooperative's possession.
 - e. Either sent to or from a Committee member's personal electronic device during a Committee meeting **will be a public record** and subject to FOIA. The electronic communication is in the Cooperative's possession because Committee members were functioning collectively as a public body.

The Cooperative's Freedom of Information Officer and/or Committee Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Email that qualifies under FOIA as a *public record* will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the Cooperative's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Committee officer concerning a decision made in his or her capacity as an officer. If a Committee member uses his or her personal email, he or she must copy this type of email to the appropriate Cooperative office where it will be stored. If made available, Committee members should use their email accounts provided by the Cooperative, and the Cooperative will automatically store the official record messages. The Cooperative will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Committee Member using a Cooperative-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any email concerning a topic that is being litigated without obtaining the Committee attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

2:150 Committees

The Executive Committee may establish committees to assist with the Committee's governance function and, in some situations, to comply with State law requirements. These committees are known as Committee committees and report directly to the Committee. Committee members may include both Committee members and non-Committee members depending on the committee's purpose. The Committee President makes all Committee appointments unless specifically stated otherwise. Committee meetings shall comply with the Open Meetings Act. A Committee may not take final action on behalf of the Committee - it may only make recommendations to the Committee.

Special Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Committee or at the Committee's discretion.

Standing Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Policy Committee. This committee researches policy issues, and provides information and recommendations to the Committee.
2. Parent-Teacher Advisory Committee. This committee assists in the development of student behavior policy and procedure, and provides information and recommendations to the Executive Committee. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School Cooperative and local law enforcement agencies regarding criminal offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.
3. Behavioral Interventions Committee. This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*, and provides information and recommendations to the Executive Committee. At the Committee President's discretion, the Parent-Teacher Advisory Committee shall perform the duties assigned to the Behavioral Interventions Committee.

Nothing in this policy limits the authority of the Executive Director or designee to create and use committees that report to him or her or to other staff members.

2:160 Committee Attorney

The Executive Committee may enter into any agreements for legal services with one or more attorneys or law firms to be the Committee Attorney(s). The Committee Attorney represents the Committee in its capacity as the governing body for the Cooperative. The Committee Attorney shall not represent another client if the representation involves a concurrent conflict of interest, unless permitted by the Ill. Rules of Professional Conduct adopted by the Ill. Supreme Court. The Committee Attorney serves on a retainer or other fee arrangement as determined in advance. The Committee Attorney will provide services as described in the agreement for legal services. The Cooperative will only pay for legal services that are provided in accordance with the agreement for legal services or are otherwise authorized by this policy or a majority of the Committee.

The Executive Director, his or her designee, and Committee Chairperson, are each authorized to confer with and/or seek the legal advice of the Committee Attorney. The Committee may authorize a specific member to confer with legal counsel on its behalf.

The Executive Director may authorize the Committee Attorney to represent the Cooperative in any legal matter until the Committee has an opportunity to consider the matter.

The Committee retains the right to consult with or employ other attorneys and to terminate the service of any attorney.

2:160-E Exhibit - Checklist for Selecting a Board Attorney

The Governing Board selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms, but it can be adapted for an application process, if the Board seeks an in-house attorney. For more information, call the IASB Office of General Counsel; see its current phone numbers at www.iasb.com/whatis/staff.cfm.

Determine what type of legal services the Cooperative needs.

1. Review Board policy 2:160, *Board Attorney*. **Note:** Critically analyze whether the Cooperative's legal needs are best served by in-house attorney(s) or outside attorney(s)/law firms. Many Cooperatives use a combination of these services. Many Cooperatives also use multiple attorney(s)/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorney(s)/law firms, but it can be adapted for an application process, which would better fit if the Board seeks an in-house attorney.
2. Consider the following factors to analyze the type(s) of legal services needed for the Cooperative including, but are not limited to:
 - Cooperative's size;
 - Any past and current experiences with legal matters;
 - Complexity of the Cooperative's legal needs;
 - Availability of expertise; and
 - Cost of outside fees compared to internal staff expenses for an in-house arrangement.

Develop a list of qualifications necessary for providing quality legal services to the Cooperative.

1. Review policy 4:60, *Purchases and Contracts*. **Note:** While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align contracts for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the Cooperative's budget, etc.
2. Develop the list of qualifications. The major qualifications include, but are not limited to:
 - Licensed to practice law in Illinois and in good standing with the Illinois Attorney Registration and Disciplinary Commission (ARDC) (see checklist item *Conduct a reference check and other background investigations*, below)
 - Member of the Cooperative's assigned United States Cooperative court and the Seventh Circuit Court of Appeals
 - Substantive knowledge and experience in the legal areas matching Cooperative's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom of Information Act, Open Meetings Act, other records laws, special education, student rights, etc. **Note:** This list of knowledge and experience must be created by the Cooperative's identified needs and may change from time to time.
 - Experience in all aspects of contract, employment, and school law
 - Experience that meets the Cooperative's needs, including litigation experience in State and federal courts
 - Membership in professional associations, such as, the Illinois Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
 - Demonstrated knowledge of and ability to apply professional responsibility rules
 - Accessibility for the Cooperative's identified needs, e.g., evening Board meetings, phone calls, etc.
 - Ability to declare that representation of the Cooperative will be to the exclusion of all other clients having potential conflicts with the Cooperative's interests
 - When additional qualifications apply, list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

Develop the RFP.

1. Insert the list of qualifications that the Board developed.
2. Include the following information:
 - The deadline for responses to be submitted
 - The location (address or email) where responses should be sent
 - A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the School Cooperative
 - Significant information about the Cooperative. See Board policy 1:30, *School Cooperative Philosophy*, for the Cooperative's mission statement that is specific to the community's goals.
 - The scope of work, e.g., "The Board Attorney will provide legal advice concerning [typical duties, specific duties, excluded duties]."
 - Qualifications
 - Details about interviews and presentations
3. Specify what responders must include in their responses, such as the following:
 - Cover letter, complete name, address, and legal structure (if the responder is a law firm)
 - The individuals who prepared the response, including their titles
 - If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
 - A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."
 - A summary of the responder's relevant experience representing public schools
 - A writing sample
 - An assurance that the responder meets the RFP's qualifications
 - References including current or past clients

Announce the RFP.

1. Title the announcement. **Note:** How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the Cooperative's website, mail it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the Council of School Attorneys (ICSA) is on the IASB website, www.iasb.com. A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Illinois State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The [Insert Cooperative's name] Board of Education Requests Proposals to Provide Legal Services."
2. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
3. Inform the reader that the attorney or law firm selected will serve from the date of appointment to [date]. The length of the appointment is at the Board's discretion.
4. State the School Cooperative's philosophy or mission statement.
5. Insert the RFP location and contact information with the beginning date and time.
6. Tell prospective responders that completed RFPs must be returned [by certain time and date] to [name and title of person receiving applications].

Receive and manage responses to the RFP.

1. Review policy 2:110, *Qualifications, Term, and Duties of Board Officers*. The Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Director's secretary if the Board determines that it is more convenient. Who accepts applications is at the Board's sole discretion and should be decided by the Board prior to posting the RFP announcement.
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

Develop interview questions.

1. Interview questions are at the Board's discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.
3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
 - What do you see as your role as Board Attorney?
 - How many other school Cooperatives do you currently represent?
 - What kind of legal services do you provide to your school clients? Please explain how your other experience is relevant to this position.
 - How many years of experience does your firm (or, the attorney) have? How long have you been practicing law? How long have you been representing school Cooperatives?
 - What methods will you use to ensure all members of the Board, which is your client, remain informed? See the discussion about the *III. Professional Rules of Conduct* in fn 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board feels strongly about its position but you believe that position is not legally supportable? The *III. Rules of Professional Conduct*, at www.illinoiscourts.gov/supremecourt/rules/art_viii/default_new.asp, require attorneys to represent the Board in its capacity as the governing body for the Cooperative. The responders should be discussing these rules, specifically Rule 1.7 (Conflict of Interest: Current Clients) and Rule 1.13 (Organization as Client), among others, in their answers to this question. See also, **PRESS** policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board's interest may be or become adverse to one or more of its members? See the discussion about the *III. Professional Rules of Conduct* in fn 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board and Director are in conflict? How about a divided Board? See the discussion about the *III. Professional Rules of Conduct* in fn 2 of policy 2:160, *Board Attorney*.
 - If the Board did something that you had advised against, could you still defend the Board's action? See the discussion about the *III. Professional Rules of Conduct* in fn 2 of policy 2:160, *Board Attorney*.
 - Will you try to shape Board decisions or do you have a *whatever the Board decides philosophy*? See the discussion about the *III. Professional Rules of Conduct* in fn 2 of policy 2:160, *Board Attorney*.
 - Do you give clients specific recommendations or do you advise them of the available options and let the client decide? See the discussion about the *III. Professional Rules of Conduct* in fn 2 of policy 2:160, *Board Attorney*.
 - Do you provide your Board of Education clients with any updating services gratis?
 - How do you keep your Board clients apprised of litigation and other legal matters you are handling for them?
 - Will you be handling this business personally (i.e., will you delegate to your associates or partners)?
 - Can anyone else in your firm handle our inquiries when you are unavailable?
 - How do you keep current on school law?
 - When do you tell your school clients to contact you regarding a matter with possible legal repercussions?
 - Have you represented a school Cooperative in a matter involving the rights of disabled students? ... involving disabled employees? ... involving a student expulsion? ... involving a teacher dismissal? ... involving an employee's contract or dismissal? ... involving a building contract or bidding matter? ... Can you tell us about that case?
 - How do you bill? How are you to be paid? Please explain your rates and/or fees. The subject of billing should cover whether the attorney or law firm prepares a budget for representation and its method for billing in detail, including the date and time, what work was performed, and who worked on the project, along with expenses.
 - Did you bring a written agreement for legal services or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services.

Develop an interview protocol. Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board President will lead the Board as it interviews responders to its RFP (see 105 ILCS 5/10-13 stating that the Board President presides at all meetings and Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*).
2. The Board may also want to consider allowing an equal amount of time for each interview.
3. Discuss the following items with each responder during the interview:
 - Introduce Board members to the responder.
 - Describe the Board's interview process, selection process, and ask the responder if he or she has questions about the Board's process for selecting its attorney.
 - Describe the Cooperative's philosophy or mission statement.
 - Describe the Board Attorney position by reviewing the RFP.
 - Begin asking the interview questions. (See *Develop interview questions*, above).
 - Ask the responder whether he or she has any questions for the Board.
 - Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board's decision.

Conduct a reference check and other background investigation(s).

1. The Board President may perform this check or direct the Director to:
 - Check the ARDC's master roll of attorneys as "Authorized to Practice Law." To do this, enter the attorney's name into the ARDC's registration and public disciplinary records database at: www.iardc.org/lawyersearch.asp.
 - Click on the attorney's name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen.
 - If disciplinary actions are listed, ask the attorney or law firm for more information.
2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.
3. Call references provided by the responder.

Enter into a written contract with the selected attorney or law firm.

1. All *agreements for legal services* should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. *Agreements for legal services* and individual billing statements from the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAC-14-002).
2. Discuss the fee arrangements with the responder and decide:
 - Whether to enter into a fee arrangement or a retainer agreement. Note: Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour increments. Many Cooperatives enter into a retainer agreement for legal services that requires them to pay the attorney a pre-determined fee every month. In return, the

attorney provides a pre-determined amount of legal services whenever the Cooperative needs him or her. Cooperatives find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.

- The appropriate scope of services.

3. Review the written contract (*Agreement for Legal Services*) for these provisions:

- Fee arrangement.
- Scope of services.
- Who will be providing legal services?
- A statement that the Board controls all legal decisions.
- A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it.
- Board's right to terminate the services of the attorney and law firm at any time for any reason.

4. Approve the *Agreement for Legal Services* during an open Board meeting.

Announce the appointment to Cooperative staff and community.

1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.
2. The Board may want to consider announcing during an open meeting. See Board policy 8:10, *Connection with the Community*.
3. The Board may want to include the following information in its announcement:
 - The Board appointed [attorney's name or law firm name] as the Board Attorney.
 - The appointment will begin on [date] for [length of time].
 - The Board previously established qualifications for the Board Attorney in a careful and thoughtful manner. [Attorney or law firm's name] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [Attorney or law firm's name] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge.

Meetings between internal or external auditors and governmental audit committees, finance committees, and their equivalents, when the discussion involves internal control weaknesses, identification of potential fraud risk areas, known or suspected frauds, and fraud interviews conducted in accordance with generally accepted auditing standards of the United States of America. 5 ILCS 120/2(c)(29).

The Committee may hold a closed meeting, or close a portion of a meeting, by a majority vote of a quorum, taken at an open meeting. The vote of each Committee member present, and the reason for the closed meeting, will be publicly disclosed at the time of the meeting and clearly stated in the motion and the meeting minutes.

A single motion calling for a series of closed meetings may be adopted when such meetings will involve the same particular matters and are scheduled to be held within 3 months of the vote.

No final Committee action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

Special Meetings

Special meetings may be called by the President or by any 3 members of the Committee by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Committee members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting.

Public notice of a special meeting is given by posting a notice at the Cooperative's main office at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice. A meeting agenda shall accompany the notice.

2:220 Executive Committee Meeting Procedure

Agenda

The Executive Committee Chairperson is responsible for focusing the Committee meeting agendas on appropriate content. The Executive Director shall prepare agendas in consultation with the Committee Chairperson. The Chairperson shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Committee action. Upon the request of any Committee member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Committee meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Committee members to the Executive Director or the Chairperson shall be placed on the agenda for an upcoming meeting. Cooperative residents may suggest inclusions for the agenda. Discussion items may be added to the agenda at the beginning of a regular meeting. The Committee will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Executive Director shall provide a copy of the agenda, with adequate data and background information, to each Committee member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Committee policy 2:200, *Types of Executive Committee Meetings*.

The Committee Chairperson shall determine the order of business at regular Committee meetings. Upon unanimous approval of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Committee, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Committee, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Committee's minutes. An individual Committee member may request that a roll call vote be taken on any other matter; the Chairperson or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Executive Director shall keep written minutes of all Committee meetings (whether open or closed), which shall be signed by the chairman. The minutes include:

1. The meeting's date, time, and place;
2. Committee members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the *Open Meetings Act* authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Committee member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Committee for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Committee: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Committee may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Committee's meeting minutes must be submitted to the Committee Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Committee Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Committee's approval; they may be inspected in the Cooperative's main office, in the presence of the Secretary, the Executive Director or designee, or any Committee member. Minutes from closed meetings are likewise available, but only if the Committee has released them for public inspection. The minutes shall not be removed from the Executive Director's office except by vote of the Committee or by court order.

The Committee's open meeting minutes shall be posted on the Cooperative website within 10 days after the Committee approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Executive Director, or the Committee Secretary when the Executive Director is absent, shall audio record all closed meetings. If neither is present, the Committee Chairperson or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Executive Director shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Committee for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the Cooperative's main office.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Committee approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Committee members may listen to verbatim recordings when that action is germane to their responsibilities. In the interest of encouraging free and open expression by Committee members during closed meetings, the recordings of closed meetings should not be used by Committee members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Committee must be physically present at all Committee meetings. A majority of the full membership of the Committee constitutes a quorum.

Provided a quorum is physically present, a Committee member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or Cooperative business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Executive Director at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Executive Director will inform the Committee Chairperson and make appropriate arrangements. A Committee member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Committee meeting including voting on any item.

Rules of Order

Unless State law or Committee-adopted rules apply, the Committee Chairperson, as the presiding officer, will use Robert's Rules of Order, Newly Revised (11th Edition), as a guide when a question arises concerning procedure.

Broadcasting and Recording Committee Meetings

Any person may record or broadcast an open Committee meeting. Special requests to facilitate recording or broadcasting an open Committee meeting, such as seating,

writing surfaces, lighting, and access to electrical power, should be directed to the Executive Director at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Committee members, other meeting participants, or members of the public. The Committee Chairperson may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Meeting Minutes Protocol

1. Meeting minutes are the permanent record of the proceedings during an Executive Committee meeting. All Committee action must be recorded in the minutes; thus, the minutes focus on Committee action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Committee's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of members making specific points during discussion. Requests from individual Committee members to include their vote or an opinion are handled according to Committee policy 2:220, *Executive Committee Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Committee including reports from the Executive Director or a Committee committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Committee in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective but positive/constructive tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals' names who speak during the meeting's public participation segment as well as the topics they address. All written documents presented at a Committee meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes.

Open Meetings Act

The Open Meetings Act (OMA) requires public bodies to "keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording." 5 ILCS 120/2.06(a). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of Section 2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of Section 2.06, as well as OMA requirements pertaining to Board agendas, are included in policy 2:220, *School Board Meeting Procedure*.

Exhibit 2:220-E3, *Closed Meeting Minutes*, provides a sample template for keeping closed meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to Section 2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, *Open Meeting Minutes*, contains an open meeting minute's protocol that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, *Semi-Annual Review of Closed Meeting Minutes*, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, *Log of Closed Meeting Minutes*, is designed to facilitate this semi-annual review.

Local Records Act

The Local Records Act (LRA) provides that public records, including "any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connections with the transaction of public business and preserved or appropriate for preservation by such agency or officer" must be preserved unless the State Local Records Commission has given permission to destroy those records. 50 ILCS 205/3 and 7. Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Policy 2:250, *Access to Cooperative Public Records*, contains a subhead entitled **Preserving Public Records** which provides as follows:

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the Cooperative's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), Cooperative auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:200, *School Board Meeting Procedure*, for all relevant footnotes. Also see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*, for recommendations regarding school cooperative records retention protocols and links to web-based record management resources.

Open Meeting Minutes

Are you required to approve them?	Must they be semi-annually reviewed?	May you release them to the public?	May you destroy them?
Yes, within 30 days or at the next subsequent meeting, whichever is later. <i>A public body shall approve the minutes of its open meeting within 30 days after that meeting or at the public body's second subsequent regular meeting, whichever is later.</i> 5 ILCS 120/2.06(b).	No. Unlike the closed meeting requirement, OMA does not contain semi-annual review requirements for open meeting minutes.	Yes, must within ten days after minutes are approved. <i>The minutes of meetings open to the public shall be available for public inspection within 10 days after the approval of such minutes by the public body. Beginning July 1, 2006, at the time it complies with other requirements of this subsection, a public body that has a web site that the full-time staff of the public body maintains shall post the minutes of a regular meeting of its governing body open to the public on the public body's website within 10 days after the approval of the minutes by the public body. Beginning July 1, 2006, any minutes of meetings open to the public posted on the public body's website shall remain posted on the website for at least 60 days after their initial posting.</i> 5 ILCS 120/2.06(b).	No. There is no OMA provision permitting the destruction of open meeting minutes, and they must be preserved unless the State Local Records Commission has given permission to destroy them. If a public body would like to destroy open meeting minutes, then it must comply with the LRA and work with its Local Records Commission. It is highly unlikely, however, that the Local Records Commission would approve of their destruction.

Open Meeting Verbatim Recordings

Are you required to approve them?	Must they be semi-annually reviewed?	May you release them to the public?	May you destroy them?
No. OMA does not require public bodies to approve verbatim recordings of open meetings.	No. Unlike the closed meeting requirement, OMA does not require public bodies to keep verbatim recordings of open meetings. OMA does not contain semi-annual review requirements for open meeting verbatim recordings.	Yes. Unlike the closed meeting requirement, OMA does not require public bodies to keep verbatim recordings of open meetings. If a public body makes verbatim recordings of open meetings, then such recordings are subject to public disclosure pursuant to the Freedom of Information Act (5 ILCS 140/).	Possibly. If a public body would like to destroy open meeting verbatim recordings, then it must comply with the LRA and work with its Local Records Commission.

Closed Meeting Minutes

Are you required to approve them?	Must they be semi-annually reviewed?	May you release them to the public?	May you destroy them?
			No.

<p>Yes.</p> <p>OMA does not directly state public bodies are required to approve closed meeting minutes, nor does it set a time frame for such approval. However, OMA Section 2.06(d) requires public bodies to meet at least semi-annually to "review minutes of all closed meetings." 5 ILCS 120/2.06(d).</p> <p>Moreover, OMA Section 2.06(c) specifically allows the destruction of closed meeting verbatim recordings only if certain conditions are met, one of which is that "the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section." 5 ILCS 120/2.06(c)(2). Both of these tasks would be difficult to achieve if closed meeting minutes were not first approved.</p> <p>One practice is to approve closed meeting minutes within the same time frame that open meeting minutes are approved - within 30 days of the meeting or at the next subsequent meeting, whichever is later.</p>	<p>Yes.</p> <p><i>Each public body shall periodically, but not less than semi-annually, meet to review all existing minutes of all prior closed meetings (this includes records from all time that the board has been in existence). At such meetings a determination shall be made, and reported in an open session that (1) the need for confidentiality still exists as to all or part of those minutes or (2) that the minutes or portions thereof no longer require confidential treatment and are available for public inspection.</i> 5 ILCS 120/2.06(d).</p>	<p>Yes, if prerequisites are met.</p> <p><i>Minutes of meetings closed to the public shall be available only after the public body determines that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential.</i> 5 ILCS 120/2.06(f).</p>	<p>There is no OMA provision permitting the destruction of closed meeting minutes, and they must be preserved unless the State Local Records Commission has given permission to destroy them.</p> <p>In addition, per OMA Section 2.06(f), as amended by P.A. 99-515:</p> <p><i>No minutes of meetings closed to the public shall be removed from the public body's main office or official storage location, except by vote of the public body or by court order.</i> 5 ILCS 120/2.06(f).</p> <p>If a public body would like to destroy closed meeting minutes, then it must comply with the LRA and work with its Local Records Commission. It is highly unlikely, however, that the Local Records Commission would approve of their destruction.</p>
--	--	---	--

Closed Meeting Verbatim Recordings

Are you required to approve them?	Must they be semi-annually reviewed?	May you release them to the public?	May you destroy them?
No. OMA does not require approval of closed meeting verbatim recordings.	No. OMA does not require semi-annual review of closed meeting verbatim recordings.	Possibly but unlikely. <i>Unless the public body has made a determination that the verbatim recording no longer requires confidential treatment or otherwise consents to disclosure, the verbatim record of a meeting closed to the public shall not be open for public inspection or subject to discovery in any administrative or judicial proceeding other than one brought to enforce this Act.</i> 5 ILCS 120/2.06(e). But see <u>Kodish v. Oakbrook Terrace Fire Protection Cooperative</u> (235 F.R.D. 447 (N.D. IL. 2006)), where a federal Cooperative court ordered that closed meeting verbatim recordings be disclosed to the Plaintiff in discovery because his primary claim was brought under federal law.	Yes, after 18 months if prerequisites are met. <i>The verbatim record may be destroyed without notification to or the approval of a records commission or the State Archivist under the Local Records Act or the State Records Act no less than 18 months after the completion of the meeting recorded but only after: 1.) the public body approves the destruction of a particular recording; and 2.) the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section.</i> 5 ILCS 120/2.06(c). In addition, per OMA Section 2.06(f), as amended by P.A. 99-515: <i>No verbatim recordings shall be recorded or removed from the public body's main office or official storage location, except by vote of the public body or by court order.</i> 5 ILCS 120/2.06(e).

2:230 Public Participation at Executive Committee Meetings and Petitions to the Committee

For an overall minimum of 30 minutes during each regular and special open meeting, any person may comment to or ask questions of the Executive Committee (*public participation*), subject to the reasonable constraints established and recorded in this policy's guidelines below. During public participation, there will be a 20-minute minimum total length of time for anyone subject. When public participation takes less time than these minimums, it shall end.

To preserve sufficient time for the Executive Committee to conduct its business, any person appearing before the Committee is expected to follow these guidelines:

1. Address the Committee only at the appropriate time as indicated on the agenda and when recognized by the Committee President.
2. Identify oneself and be brief. Ordinarily, the time for any one person to address the Committee during public participation shall be limited to five minutes. In unusual circumstances, and when an individual has made a request to speak for a longer period of time, the person may be allowed to speak for more than five minutes.
3. Observe, when necessary and appropriate, the:
 - a. Shortening of the time for each person to address the Committee during public participation to conserve time and give the maximum number of people an opportunity to speak;
 - b. Expansion of the overall minimum of 30 minutes for public participation and/or the 20-minute minimum total length of time for any one subject; and/or
 - c. Determination of procedural matters regarding public participation not otherwise covered in Committee policy.
4. Conduct oneself with respect and civility toward others and otherwise abide by Committee policy 8:30, *Visitors to and Conduct on Cooperative Property*.

Petitions or written correspondence to the Committee shall be presented to the Committee in the next regular Committee packet.

2:240 Committee Policy Development

The Executive Committee governs using written policies. Written policies ensure legal compliance, establish Committee processes, articulate Cooperative ends, delegate authority, and define operating limits. Committee policies also provide the basis for monitoring progress toward Cooperative ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Executive Director. Suggestions from all others should be made to the Committee President or the Executive Director.

A Policy Committee will consider all policy suggestions and provide information and recommendations to the Committee.

The Executive Director is responsible for: (1) providing relevant policy information and data to the Committee, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Committee deliberation. The Executive Director shall seek the counsel of the Committee Attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Committee meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Committee discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Committee consideration will be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Committee policies are available for public inspection in the Cooperative's main office during regular office hours. Copy requests should be made pursuant to Committee policy 2:250, *Access to Cooperative Public Records*.

Committee Policy Review and Monitoring

The Committee will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Committee may use an annual policy review and monitoring calendar.

Executive Director Implementation

The Committee will support any reasonable interpretation of Committee policy made by the Executive Director. If reasonable minds differ, the Committee will review the applicable policy and consider the need for further clarification.

In the absence of Committee policy, the Executive Director is authorized to take appropriate action.

Suspension of Policies

The Committee, by a majority vote of members present at any meeting, may temporarily suspend a Committee policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Committee action.

2:250 Access to Cooperative Public Records

Full access to the Cooperative's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Executive Director or designee shall: (1) provide the Committee with sufficient information and data to permit the Committee to monitor the Cooperative's compliance with FOIA and this policy, and (2) report any FOIA requests during the Committee's regular meetings along with the status of the Cooperative's response.

Freedom of Information Officer

The Executive Director shall appoint an employee, who may be himself or herself, to serve as the Cooperative's Freedom of Information Officer. That appointee assumes all the duties and powers of that office as provided in FOIA and this policy.

Definition

The Cooperative's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School Cooperative.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the Cooperative's Freedom of Information Officer. Oral requests may be accepted provided personnel are available to handle them. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Executive Director or designee shall instruct Cooperative employees to immediately forward any request for inspection and copying of a public record to the Cooperative's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Committee's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the Cooperative's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the Cooperative's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the Cooperative's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the person requesting the record states a specific purpose for the request and indicates that a fee reduction is in the public interest by having as its principal purpose the preservation of the general public's health, safety, welfare, or legal rights and is not for the principal purpose of personal or commercial benefit. The Freedom of Information Officer shall set the amount of the reduction, taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the Cooperative's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the Cooperative's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the Cooperative's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the Cooperative shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the Cooperative's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Committee Attorney (e.g., a litigation hold), Cooperative auditor, or other individual authorized by the School Committee or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the Cooperative will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the Cooperative's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any Cooperative Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy 2:260, *Uniform Grievance Procedure*.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law or this policy, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Executive Director. The Complaint Manager may request an extension of time.

The Executive Director will keep the Committee informed of all complaints.

If a complaint contains allegations involving the Executive Director or Committee Members(s), the written report shall be filed directly with the Committee, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Executive Director shall mail his or her written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Executive Director's decision, the Complainant or the accused may appeal the decision to the Committee by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Committee.

Within 30 school business days, the Committee shall affirm, reverse, or amend the Executive Director's decision or direct the Executive Director to gather additional information. Within five school business days of the Committee's decision, the Executive Director shall inform the Complainant and the accused of the Committee's action.

For complaints containing allegations involving the Executive Director or Committee Members(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Committee shall mail its written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Executive Director or Committee. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator and Complaint Managers

The Executive Director shall appoint a Nondiscrimination Coordinator to manage the Cooperative's efforts to provide equal opportunity employment and educational

opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the Cooperative's Title IX Coordinator.

The Executive Director shall appoint at least one Complaint Manager to administer the complaint process in this policy. If possible, the Executive Director will appoint two Complaint Managers, one of each gender. The Cooperative's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Executive Director shall insert into this policy and keep current the names, addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

2. Liquidity - The investment portfolio shall provide sufficient liquidity to pay Cooperative obligations as they become due. In this regard, the maturity and marketability of investments shall be considered.
3. Rate of Return - The highest return on investments is sought, consistent with the preservation of principal and prudent investment principles.

The Committee will review and approve the list at least annually.

In order to be an authorized depository, each institution must submit copies of the last 2 sworn statements of resources and liabilities or reports of examination that the institution is required to furnish to the appropriate State or federal agency. Each institution designated as a depository shall, while acting as such depository, furnish the Cooperative with a copy of all statements of resources and liabilities or all reports of examination that it is required to furnish to the appropriate State or federal agency.

The Cooperative may consider a financial institution's record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. The Cooperative may consider factors including:

2. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
3. The financial impact that the withdrawal or denial of Cooperative deposits might have on the financial institution;
4. The financial impact to the Cooperative as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

4:55 Use of Credit and Procurement Cards

The Executive Director and employees designated by the Executive Director are authorized to use Cooperative credit and procurement cards to simplify the acquisition, receipt, and payment of purchases and travel expenses incurred on the Cooperative's behalf. Credit and procurement cards shall only be used for those expenses that are for the Cooperative's benefit and serve a valid and proper public purpose; they shall not be used for personal purchases. Cardholders are responsible for exercising due care and judgment and for acting in the Cooperative's best interests.

The Executive Director or designee shall manage the use of Cooperative credit and procurement cards by employees. It is the Committee's responsibility, through the audit and approval process, to determine whether Cooperative credit and procurement card use by the Executive Director is appropriate.

In addition to the other limitations contained in this and other Committee policies, Cooperative credit and procurement cards are governed by the following restrictions:

1. Credit and/or procurement cards may only be used to pay certain job-related expenses or to make purchases on behalf of the Committee or Cooperative or any student activity fund, or for purposes that would otherwise be addressed through a conventional revolving fund.
2. The Executive Director or designee shall instruct the issuing bank to block the cards' use at unapproved merchants.
3. Each cardholder, other than the Executive Director, may charge no more than \$500 in a single purchase and no more than \$1000 within a given month without prior authorization from the Executive Director.
4. The Executive Director or designee must approve the use of a Cooperative credit or procurement card whenever such use is by telephone, fax, and the Internet. Permission shall be withheld when the use violates any Committee policy, is from a vendor whose reputation has not been verified, or would be more expensive than if another available payment method were used.
5. The consequences for unauthorized purchases include, but are not limited to, reimbursing the Cooperative for the purchase amount, loss of cardholding privileges, and, if made by an employee, discipline up to and including discharge.
6. All cardholders must sign a statement affirming that they are familiar with this policy.
7. The Executive Director shall implement a process whereby all purchases using a Cooperative credit or procurement card are reviewed and approved by someone other than the cardholder or someone under the cardholder's supervision.
8. Cardholders must submit the original, itemized receipt to document all purchases.
9. No individual may use a Cooperative credit or procurement card to make purchases in a manner contrary to State law, including, but not limited to, the bidding and other purchasing requirements in 105 ILCS 5/10-20.21, or any Committee policy.
10. The Executive Director or designee shall account for any financial or material reward or rebate offered by the company or institution issuing the Cooperative credit or procurement card and shall ensure that it is used for the Cooperative's benefit.

4:180 Pandemic Preparedness

The Executive Committee recognizes that the Cooperative will play an essential role along with the local health department and emergency management agencies in protecting the public's health and safety if an influenza pandemic occurs. Pandemic influenza is a worldwide outbreak of a virus for which there is little or no natural immunity and no vaccine; it spreads quickly to people who have not been previously exposed to the new virus.

To prepare the Cooperative community for a pandemic, the Executive Director or designee shall: (1) learn and understand the roles that the federal, State, and local government would play in an epidemic; (2) form a pandemic planning team consisting of appropriate Cooperative personnel and community members to identify priorities and oversee the development and implementation of a comprehensive pandemic influenza school action plan; and (3) build awareness of the final plan among staff, students, and community.

Emergency School Closing

In the case of a pandemic, any decision for an emergency school closing will be made by the Executive Director in consultation with and, if necessary, at the direction of the Cooperative's local health department, emergency management agencies, and Regional Office of Education.

4:190 Targeted School Violence Prevention Program

Threats and acts of targeted school violence harm the District's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure District environment is an important Board goal. While it is not possible for the District to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the District reduce these risks to its environment.

The Superintendent or designee shall develop and implement the Program. The Program oversees the maintenance of a District environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the District's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a District-level School Violence Prevention Team to: (a) develop a District-level Targeted School Violence Prevention Plan, and (b) oversee the District's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the District from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, District staff, or visitors.

5:20 Workplace Harassment Prohibited

The Cooperative expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. Cooperative employees shall not engage in harassment or abusive conduct on the basis of an individual's actual or perceived race, color, religion, national origin, ancestry, sex, sexual orientation, age, citizenship status, disability, pregnancy, marital status, order of protection status, military status, or unfavorable discharge from military service, nor shall they engage in harassment or abusive conduct on the basis of an individual's other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policy 7:20, *Harassment of Students Prohibited*.

The Cooperative will take remedial and corrective action to address unlawful workplace harassment, including sexual harassment.

The Cooperative provides annual sexual harassment prevention training in accordance with State law.

Cooperative employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Making a Complaint

Employees and *nonemployees* (persons who are not otherwise employees and are directly performing services for the Cooperative pursuant to a contract with the Cooperative, including contractors and consultants) are encouraged to promptly report information regarding violations of this policy. Individuals may choose to report to a person of the individual's same gender. Every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available.

Aggrieved individuals, if they feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.

Whom to Contact with a Report or Complaint

An employee should report claims of harassment, including making a confidential report, to any of the following: his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager. Employees may also report claims using policy 2:260, *Uniform Grievance Procedure*. If a claim is reported using policy 2:260, then the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

5:30 Hiring Process and Criteria

The Cooperative hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Executive Committee policy on equal employment opportunity and minority recruitment. The Executive Director is responsible for recruiting personnel and making hiring recommendations to the Committee. If the Executive Director's recommendation is rejected, the Executive Director must submit another. The Executive Director may select personnel on a short-term basis for a specific project or emergency condition before the Committee's approval.

No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a Cooperative application in order to be considered for employment.

Job Descriptions

The Executive Committee maintains the Executive Director's job description and directs, through policy, the Executive Director, in his or her charge of the Cooperative's administration.

The Executive Director shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Executive Director or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful executive director candidate who has been offered employment by the Executive Committee, the Committee Chairperson shall ensure that these checks are completed. The Executive Director or designee, or if the applicant is a successful executive director candidate, then the Committee Chairperson shall notify an applicant if the applicant is identified in either database. The School Code requires the Committee Chairperson to keep a conviction record confidential and share it only with the Executive Director, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, or for purposes of clarifying the information, the Ill. Dept. of State Police and/or Statewide Sex Offender Database. The Executive Committee reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The Cooperative retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any Cooperative employee, then the Committee must consider that person's status as a condition of employment.

The Executive Director shall ensure that the Cooperative does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The Cooperative uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The Cooperative does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The Cooperative does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The Cooperative does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The Cooperative does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The Cooperative does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The Cooperative does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The Cooperative provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Physical Examinations

Please refer to the following current agreement:

WCSEA Organization Handbook

For employees not covered by these agreements:

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the Cooperative.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Committee will pay the expenses of any such examination.

Orientation Program

The Cooperative's staff will provide an orientation program for new employees to acquaint them with the Cooperative's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

5:35 Compliance with the Fair Labor Standards Act

Job Classifications

The Executive Director will ensure that all job positions are identified as either "exempt" or "non-exempt" according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are "exempt" or "non-exempt." "Exempt" and "non-exempt" employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for Cooperative employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. "Overtime" is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor's express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Executive Director or designee's written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Executive Director.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Committee policy 5:240, *Professional Personnel - Suspension*. Non-licensed employees may be suspended without pay in accordance with Committee policy 5:290, *Educational Support Personnel - Employment Termination and Suspensions*.

Implementation

The Executive Director or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

An employee with a communicable or chronic infectious disease will be permitted to retain his or her position whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions. All Cooperative workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on Cooperative premises or while performing work for the Cooperative:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance, or being impaired by or under the influence of any illegal substance or any detectible use of any illegal substance regardless of when or where the use occurred.

The Cooperative considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests the specific articulable symptoms listed in the Cannabis Regulation and Tax Act (CRTA).

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,

"Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of the Committee policy respecting a drug-and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the Cooperative premises or while performing work for the Cooperative, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Executive Director or designee shall perform each of the following:

 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the Cooperative may impose upon employees for violations of this policy.
6. Remind employees that policy 6:60, *Curriculum Content*, requires the Cooperative to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the Cooperative at a school event regardless of the event's location.

Tobacco shall have the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis shall have the meaning provided in the CRTA, 410 ILCS 705/1-10.

Cooperative Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Committee may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Committee shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should Cooperative employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Executive Director shall notify the appropriate State or federal agency from which the Cooperative receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Disclaimer

The Committee reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in policy 2:240, *Board Policy Development*.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. The Cooperative is not responsible for losses due to an employee's own negligence, losses due to normal wear, or losses due to theft, unless the theft was a result of the Cooperative's negligence. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
4. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.

Advancements

The Executive Director may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations.

Expense advancement requests must be submitted to the Executive Director or designee on the Cooperative's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the Cooperative's standardized expense reimbursement form and submit to the Executive Director: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the Cooperative. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Executive Director or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the Cooperative's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the Cooperative's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the Cooperative in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Copies of airline tickets must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, or other local transportation costs.

Meals

Meals charged to the Cooperative should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

5:90 Abused and Neglected Child Reporting

Any Cooperative employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 21, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any Cooperative employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Executive Director or Building Principal that a report has been made. The Executive Director or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Any Cooperative employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Executive Director or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Negligent failure to report occurs when a Cooperative employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any Cooperative employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Executive Director, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Executive Director or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training

The Executive Director or designee shall provide staff development opportunities for Cooperative employees in the detection, reporting, and prevention of child abuse and neglect.

All Cooperative employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Executive Director or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.

The Executive Director will encourage all Cooperative educators to complete continuing professional development that addresses the traits and identifiers that may be evident in students who are victims of child sexual abuse, including recognizing and reporting child sexual abuse and providing appropriate follow-up and care for abused students as they return to the classroom setting.

Alleged Incidents of Sexual Abuse: Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity, or outside of school grounds or not during a school activity.

If a Cooperative employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Executive Director or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the Cooperative when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the Cooperative from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Executive Director Responsibilities

The Executive Director shall execute the requirements in Committee policy 5:150, *Personnel Records*, whenever another school requests a reference concerning an applicant who is or was a Cooperative employee and was the subject of a report made by a Cooperative employee to DCFS.

The Executive Director shall notify the State Superintendent and the Regional Superintendent in writing when he or she has reasonable cause to believe that a license holder was dismissed or resigned from the Cooperative as a result of an act that made a child an abused or neglected child. The Executive Director must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

Special Executive Committee Member Responsibilities

Each individual Committee member must, if an allegation is raised to the member during an open or closed Committee meeting that a student is an abused child as defined in ANCRA, direct or cause the Committee to direct the Cooperative or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Committee determines that any Cooperative employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Committee may dismiss that employee immediately.

5:180 Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, Cooperative-paid insurance programs, etc.) will be deducted from the Cooperative's compensation liability to the employee. The Executive Committee's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of his or her gross salary.

Those insurance plans privately purchased by the employee and to which the Cooperative does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes an employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Committee's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the Cooperative's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

5:185 Family and Medical Leave

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act, for up to a combined total of 12 weeks each year. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period, beginning July 1 and ending June 30 of the next year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the Cooperative will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided in federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the Cooperative, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, both of the following provisions must describe the employee:

1. The employee is employed at a worksite where at least 50 employees are employed within 75 miles; and
2. The employee has been employed by the District for at least 12 months and has been employed for at least 1,250 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Executive Director or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the Cooperative's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Executive Director or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Executive Director or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The Cooperative may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The Cooperative may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the Cooperative may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) Cooperative receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the Cooperative within 15 calendar days after the request. The Cooperative may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the Cooperative may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A Cooperative's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the Cooperative notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Executive Director or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Executive Director or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the Cooperative may impose as provided in the FMLA or implementing regulations, and (2) the Cooperative's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Executive Director or designee shall ensure that (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

- Violation of Committee policy or Administrative Procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and

Suspension With Pay

The Committee or Executive Director or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the Cooperative's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the Cooperative as defined above, or (3) pending a Committee hearing to suspend a teacher without pay.

The Executive Director shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

5:250 Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Personal Leave, Leave of Absence Without Pay, Leave of Absence

Please refer to the following current agreement:

WCSEA Organization Handbook

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Executive Director may require that the employee provide evidence that the formal adoption process is underway.

Child Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 *et seq.*) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the Cooperative, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the Cooperative's employees may be absent to serve as election judges on the same Election Day.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Executive Director shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, or Gender Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, or gender violence, or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, or gender violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the Cooperative employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 *et seq.*).

Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the Committee will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3, and (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the Cooperative, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

Employment At-Will

Unless otherwise specifically provided, Cooperative employment is at-will, meaning that employment may be terminated by the Cooperative or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in Executive Committee policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who are employed annually, have an employment contract, or are otherwise granted a legitimate interest in continued employment. The Executive Director is authorized to make exceptions to employing nonlicensed employees at-will but shall maintain a record of positions or employees who are not at-will.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Noncertificated and Unlicensed Personnel Working with Students and Performing Non-Instructional Duties

Noncertificated and unlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Executive Director is responsible for making dismissal recommendations to the Executive Committee consistent with the Committee's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

Reduction in Force and Recall

When making decisions concerning reduction in force and recall, the Committee will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Executive Director is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Executive Director's judgment, the employee's presence is detrimental to the Cooperative. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees. Upon receipt of a recommendation from the Ill. Dept. 6:120 Education of Children with Disabilities

The Cooperative shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the Cooperative, as required by the Individuals With Disabilities Education Act (IDEA) and implementing provisions of the School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act. The term "children with disabilities," as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined, through definitions and procedures described in the Ill. State Board of Education (ISBE) *Special Education* rules, that special education services are needed.

It is the intent of the Cooperative to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the Cooperative shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the ISBE *Special Education* rules. For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the Rehabilitation Act of 1973, need or are believed to need special instruction or related services, the Cooperative shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), representation by counsel, and a review procedure.

If necessary, students may also be placed in nonpublic special education programs or education facilities.

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of 6 (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades, kindergarten through 12, in the public school regardless of age.

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because his or her religion forbids secular activity on a particular day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness, observance of a religious holiday, death in the immediate family, family emergency, other situations beyond the control of the student, other circumstances that cause reasonable concern to the parent/guardian for the student's safety or health, or other reason as approved by the Executive Director or designee.

Absenteeism and Truancy Program

The Executive Director or designee shall manage an absenteeism and truancy program in accordance with the School Code and Executive Committee policy. The program shall include but not be limited to:

1. A protocol for excusing a student from attendance who is necessarily and lawfully employed. The Executive Director or designee is authorized to determine when the student's absence is justified.
2. A protocol for excusing a student in grades 6 through 12 from attendance to sound *Taps* at a military honors funeral held in Illinois for a deceased veteran.
3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings.
4. A process to telephone, within two hours after the first class, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification.
5. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in the School Code, Section 26-2a.
6. A description of diagnostic procedures for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff members or other people who may have information about the reasons for the student's attendance problem.
7. The identification of supportive services that may be offered to truant, chronically truant, or chronically absent students, including parent-teacher conferences, student and/or family counseling, or information about community agency services. See Committee policy 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*.
8. Reasonable efforts to provide ongoing professional development to teachers, administrators, Board members, school resource officers, and staff on the appropriate and available supportive services for the promotion of student attendance and engagement.
9. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered.
10. A protocol for cooperating with non-Cooperative agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Committee, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Committee policy 7:340, *Student Records*, as well as State and federal law concerning school student records.
11. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a truant minor for his or her truancy unless available supportive services and other school resources have been provided to the student.
12. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Executive Director believes qualifies.
13. A process for a 17-year-old resident to participate in the Cooperative's various programs and resources for truants. The student must provide documentation of his/her dropout status for the previous 6 months. A request from an individual 19 years of age or older to re-enroll after having dropped out of school is handled according to provisions in 7:50, *Students School Admissions and Student Transfers To and From Non-Cooperative Schools*.

7:140 Search and Seizure

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there. This paragraph applies to student vehicles parked on school property. In addition, Building Principals shall require each high school student, in return for the privilege of parking on school property, to consent in writing to school searches of his or her vehicle, and personal effects therein, without notice and without suspicion of wrongdoing.

The Executive Director may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the Cooperative's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Executive Director.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the Cooperative's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Executive Director or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in *prohibited student conduct*, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.

 - a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*).

Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*.
 - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
 - g. *Look-alike* or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
 - h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a *weapon* as that term is defined in the Weapons section of this policy, or violating the Weapons section of this policy.
5. Using or possessing an electronic paging device. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered-off and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP); (c) it is used during the student's lunch period, or (d) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
6. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
8. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
9. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.
10. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
11. Teen dating violence, as described in Board policy 7:185, *Teen Dating Violence Prohibited*.
12. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
13. Entering school property or a school facility without proper authorization.
14. In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.
15. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truant.
16. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
17. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
18. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
19. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
20. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or

designee.

21. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term *possession* includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended shall also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled shall also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), *look-alikes*, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion. Students enrolled in the District's State-funded preschool program(s) may be temporarily removed or transitioned to a new program in accordance with federal and State law. State law prohibits the expulsion of students from the program(s).

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

School staff members shall not use isolated time out and physical restraints other than as permitted in Section 10-20.33 of the School Code, State Board of Education rules, and procedures developed by the Superintendent. Neither isolated time out nor physical restraints shall be used to discipline or punish a student.

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than 2 calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24-1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including *look-alikes* of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, Ill. Dept. of State Police (ISP), and any involved student's parent/guardian. *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension,

expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

7:200 Suspension Procedures

In-School Suspension

The Director or designee is authorized to maintain an in-school suspension program. The program shall include, at a minimum, each of the following:

1. Before assigning a student to in-school suspension, the charges will be explained and the student will be given an opportunity to respond to the charges.
2. Students are supervised by licensed school personnel.
3. Students are given the opportunity to complete classroom work during the in-school suspension for equivalent academic credit.

Out-of-School Suspension

The Director or designee shall implement suspension procedures that provide, at a minimum, for each of the following:

1. A conference during which the charges will be explained and the student will be given an opportunity to respond to the charges before he or she may be suspended.
2. A pre-suspension conference is not required, and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.
3. An attempted phone call to the student's parent(s)/guardian(s).
4. A written notice of the suspension to the parent(s)/guardian(s) and the student, which shall:
 - a. Provide notice to the parent(s)/guardian(s) of their child's right to a review of the suspension;
 - b. Include information about an opportunity to make up work missed during the suspension for equivalent academic credit;
 - c. Detail the specific act of gross disobedience or misconduct resulting in the decision to suspend;
 - d. Provide rationale or an explanation of how the chosen number of suspension days will address the threat or disruption posed by the student or his or her act of gross disobedience or misconduct; and
 - e. Depending upon the length of the out-of-school suspension, include the following applicable information:
 - i. For a suspension of 3 school days or less, an explanation that the student's continuing presence in school would either pose:
 - a) A threat to school safety, or
 - b) A disruption to other students' learning opportunities.
 - ii. For a suspension of 4 or more school days, an explanation:
 - a) That other appropriate and available behavioral and disciplinary interventions have been exhausted,
 - b) As to whether school officials attempted other interventions or determined that no other interventions were available for the student, and
 - c) That the student's continuing presence in school would either:
 - i) Pose a threat to the safety of other students, staff, or members of the school community, or
 - ii) Substantially disrupt, impede, or interfere with the operation of the school.
 - iii. For a suspension of 5 or more school days, the information listed in section 4.e.ii., above, along with documentation by the Director or designee determining what, if any, appropriate and available support services will be provided to the student during the length of his or her suspension.
 5. A summary of the notice, including the reason for the suspension and the suspension length, must be given to the Board by the Director or designee.
 6. Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the Board or a hearing officer appointed by the Board. At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the Board or its hearing officer and may be represented by counsel. Whenever there is evidence that mental illness may be the cause for the suspension, the Director or designee shall invite a representative from the Department of Human Services to consult with the Board. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate. If the suspension is upheld, the Board's written suspension decision shall specifically detail items (a) and (e) in number 4, above.

7:270 Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the Cooperative's procedures on dispensing medication.

No Cooperative employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed *School Medication Authorization Form (SMA Form)* is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an *SMA Form*. The Executive Director or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a *qualifying plan*, provided the student's parent/guardian has completed and signed an *SMA Form*. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an Ill. Food Allergy Emergency Action Plan and Treatment Authorization Form, (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

The Cooperative shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the Cooperative and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

Cooperative Supply of Undesignated Epinephrine Injectors

The Executive Director or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated epinephrine injectors in the name of the Cooperative and provide or administer them as necessary according to State law. *Undesignated epinephrine injector* means an epinephrine injector prescribed in the name of the Cooperative or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated epinephrine injector to a person when they, in good faith, believe a person is having an anaphylactic reaction. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Program Act allows a *medical cannabis infused product* to be administered to a student by one or more of the following individuals:

1. A parent/guardian of a student who is a minor who registers with the Ill. Dept. of Public Health (IDPH) as a *designated caregiver* to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a *medical cannabis infused product* to a child who is a student on the premises of his or her school or on his or her school bus if:
 - a. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
 - b. Copies of the registry identification cards are provided to the Cooperative;
 - c. That student's parent/guardian completed, signed, and submitted a *School Medication Authorization Form - Medical Cannabis*; and
 - d. After administering the product to the student, the designated caregiver immediately removes it from school premises or the school bus.
2. A properly trained school nurse or administrator, who shall be allowed to administer the *medical cannabis infused product* to the student on the premises of the child's school, at a school-sponsored activity, or before/after normal school activities, including while the student is in before-school or after-school care on school-operated property or while being transported on a school bus.
3. The student him or herself when the self-administration takes place under the direct supervision of a school nurse or administrator.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

The product may not be administered in a manner that, in the opinion of the Cooperative would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver, or by a school nurse or administrator, or who self-administers a product under the direct supervision of a school nurse or administrator pursuant to this policy is prohibited. The Cooperative may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **Cooperative Supply of Undesignated Epinephrine Injectors** section of the policy is void whenever the Executive Director or designee is, for whatever reason, unable to: (1) obtain for the Cooperative a prescription for undesignated epinephrine injectors from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the Cooperative's prescription for undesignated school epinephrine injectors.

The **Administration of Medical Cannabis** section of the policy is void and the Cooperative reserves the right not to implement it if the Cooperative or school is in danger of losing federal funding.

Administration of Undesignated Medication

Upon any administration of an undesignated medication permitted by State law, the Executive Director or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Undesignated Medication Disclaimers

Upon implementation of this policy, the protections from liability and hold harmless provisions applicable under State law apply.

No one, including without limitation, parents/guardians of students, should rely on the Cooperative for the availability of an undesignated medication. This policy does not guarantee the availability of undesignated medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

7:285 Food Allergy Management Program

School attendance may increase a student's risk of exposure to allergens that could trigger a food-allergic reaction. A food allergy is an adverse reaction to a food protein mediated by the immune system which immediately reacts causing the release of histamine and other inflammatory chemicals and mediators. While it is not possible for the Cooperative to completely eliminate the risks of exposure to allergens when a student is at school, a Food Allergy Management Program using a cooperative effort among students' families, staff members, and students helps the Cooperative reduce these risks and provide accommodations and proper treatment for allergic reactions.

The Executive Director or designee shall develop and implement a Food Allergy Management Program that:

1. Fully implements the following goals established in the School Code: (a) identifying students with food allergies, (b) preventing exposure to known allergens, (c) responding to allergic reactions with prompt recognition of symptoms and treatment, and (d) educating and training all staff about management of students with food allergies, including administration of medication with an injector, and providing an in-service training program for staff who work with students that is conducted by a person with expertise in anaphylactic reactions and management.
2. Follows and references the applicable best practices specific to the Cooperative's needs in the joint State Committee of Education and Ill. Dept. of Public Health publication *Guidelines for Managing Life-Threatening Food Allergies in Schools*, available at:

www.isbe.net/Documents/food_allergy_guidelines.pdf.

3. Complies with State and federal law and is in alignment with Committee policies.

7:290 Suicide and Depression Awareness and Prevention

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important Board goals.

Suicide and Depression Awareness and Prevention Program

The Executive Director or designee shall develop, implement, and maintain a suicide and depression awareness and prevention program (Program) that advances the Board's goals of increasing awareness and prevention of depression and suicide. This program must be consistent with the requirements of Ann Marie's Law listed below; each listed requirement, 1-6, corresponds with the list of required policy components in the School Code Section 5/2-3.166(c)(2)-(7). The Program shall include:

1. Protocols for administering youth suicide awareness and prevention education to students and staff.
 - a. For students, implementation will incorporate Board policy 6:60, *Curriculum Content*, which implements 105 ILCS 5.2-3.139 and 105 ILCS 5/27-7 (requiring education for students to develop a sound mind and a healthy body).

The training required by 105 ILCS 5/10-22.39 for licensed school personnel and administrators who work with students to identify the warning signs of suicidal behavior in youth along with appropriate intervention and referral techniques, including methods of prevention, procedures for early identification, and referral of students at risk of suicide; and
 - b. Ill. State Board of Education (ISBE)-recommended guidelines and educational materials for staff training and professional development, along with ISBE-recommended resources for students containing age-appropriate educational materials on youth suicide and awareness, if available pursuant to *Ann Marie's Law* on ISBE's website.
3. Methods of intervention, including procedures that address an emotional or mental health safety plan for use during the school day and at school-sponsored events for a student identified as being at increased risk of suicide. Implementation will incorporate paragraph number 2, above, along with:
 - a. Board policy 6:65, *Student Social and Emotional Development*, implementing the goals and benchmarks of the Ill. Learning Standards and 405 ILCS 49/15(b) (requiring student social and emotional development in the Cooperative's educational program);
 - b. Board policy 6:270, *Guidance and Counseling Program*, implementing guidance and counseling program(s) for students, and 105 ILCS 5/10-22.24a and 22.24b, which allow a qualified guidance specialist or any licensed staff member to provide school counseling services.
 - c. Board policy 7:250, *Student Support Services*, implementing the Children's Mental Health Act of 2003, 405 ILCS 49/ (requiring protocols for responding to students with social, emotional, or mental health issues that impact learning ability); and
 - d. State and/or federal resources that address emotional or mental health safety plans for students who are at a potentially increased risk for suicide, if available on the ISBE's website pursuant to *Ann Marie's Law*.
4. Methods of responding to a student or staff suicide or suicide attempt. Implementation of this requirement shall incorporate building-level Student Support Committee(s) established through Board policy 7:250, *Student Support Services*.
5. Reporting procedures. Implementation of this requirement shall incorporate Board policy 6:270, *Guidance and Counseling Program*, and Board policy 7:250, *Student Support Services*, in addition to other State and/or federal resources that address reporting procedures.
6. A process to incorporate ISBE-recommended resources on youth suicide awareness and prevention programs, including current contact information for such programs in the Cooperative's Suicide and Depression Awareness and Prevention Program.

Illinois Suicide Prevention Strategic Planning Committee

The Executive Director or designee shall attempt to develop a relationship between the Cooperative and the Illinois Suicide Prevention Strategic Planning Committee, the Illinois Suicide Prevention Coalition Alliance, and/or a community mental health agency. The purpose of the relationship is to discuss how to incorporate the goals and objectives of the Illinois Suicide Prevention Strategic Plan into the Cooperative's Suicide Prevention and Depression Awareness Program.

The Board will review and update this policy pursuant to Ann Marie's Law and Board policy 2:240, *Board Policy Development*.

Information to Staff, Parents/Guardians, and Students

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 17 years who has been arrested or taken into custody.

State and federal law grants students and parents/guardians certain rights, including the right to inspect, copy, and challenge school student records. The information contained in school student records shall be kept current, accurate, clear, and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The Cooperative may release directory information as permitted by law, but a parent/guardian shall have the right to object to the release of information regarding his or her child. 8:70 Accommodating Individuals with Disabilities

Individuals with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities and will not be subject to illegal discrimination. When appropriate, the Cooperative may provide to persons with disabilities aids, benefits, or services that are separate or different from, but as effective as, those provided to others.

The Cooperative will provide auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, website, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Executive Director or designee is designated the Title II Coordinator and shall:

1. Oversee the Cooperative's compliance efforts, recommend necessary modifications to the Executive Committee, and maintain the Cooperative's final Title II self-evaluation document, update it to the extent necessary, and keep it available for public inspection for at least three years after its completion date.
2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities should notify the Executive Director or Building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Executive Director or designated Title II Coordinator, or by filing a grievance under the Uniform Grievance Procedure.

8:80 Gifts to the Cooperative

The School Board appreciates gifts from any education foundation, other entities, or individuals. All gifts must adhere to each of the following:

1. Be accepted by the Board or, if less than \$500.00 in value, the Director or designee. Individuals should obtain a pre-acceptance commitment before identifying the Cooperative, any school, or school program or activity as a beneficiary in any fundraising attempt, including without limitation, any Internet fundraising attempt.
2. Be given without a stated purpose or with a purpose deemed by the party with authority to accept the gift to be compatible with the Board's educational objectives and policies.
3. Be consistent with the Cooperative's mandate to provide equal educational and extracurricular opportunities to all students in the Cooperative as provided in Board policy 7:10, *Equal Educational Opportunities*. State and federal laws require the Cooperative to provide equal treatment for members of both sexes to educational programming, extracurricular activities, and athletics. This includes the distribution of athletic benefits and opportunities.
4. Permit the Cooperative to maintain resource equity among its learning centers.
5. Be viewpoint neutral. The Director or designee shall manage a process for the review and approval of donations involving the incorporation of messages into or placing messages upon school property.
6. Comply with all laws applicable to the Cooperative including, without limitation, the Americans with Disabilities Act, the Prevailing Wage Act, the Health/Life Safety Code for Public Schools, and all applicable procurement and bidding requirements.

The Cooperative will provide equal treatment to all individuals and entities seeking to donate money or a gift. Upon acceptance, all gifts become the Cooperative's property. The acceptance of a gift is not an endorsement by the Board, Cooperative, or school of any product, service, activity, or program. The method of recognition is determined by the party accepting the gift.

8:90 Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the Cooperative. While parent organizations and booster clubs have no administrative authority and cannot determine Cooperative policy, the Executive Committee welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Committee and permitted to use the Cooperative's name, or any logo attributable to the Cooperative provided they first receive the Director or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club is a 501(c)(3) that has submitted proof of its status and has by-laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Committee policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parent(s)/guardian(s) of students enrolled in the school, Cooperative staff, and community members.
5. A statement that the Cooperative is not, and will not be, responsible for the organization's or club's business or the conduct of its members.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the Cooperative to use at its discretion. The Committee's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the Cooperative's representative. At no time does the Cooperative accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Executive Director shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.
