

Metamora Bright Beginnings PFA (preschool)
Classes:

Metamora Grade School provides transportation only **one way** for the PreK students. The children will ride the arrival or departure MGS bus depending upon the section your child is in. (Morning students: only transportation to school-parents pick up after school. Afternoon students: parents drop off-transportation is provided home). The address must be on the MGS bus route and changes cannot be made. Transportation and schedules will be addressed at orientation.

*If your child goes to a babysitter's house, the address must be on the MGS bus route.

If you are interested in the bus, please email me by the beginning of August. I will have the times and schedule closer to the beginning of the school year.

Thank you,

Julie Stamm
