Re: Registration information

Summer is almost here which means we will say goodbye for a few months. I hope you all have a safe summer and enjoy time together as a family. It means a lot that you have chosen Bright Beginnings for your child. It is a joy to serve them! I truly mean this when I say that life changing moments happen in preschool classrooms every day. Below you find instructions for registration for the 22-23 school year.

Your child does not need another screening. They are on the list to return to the classroom program. A new physical is not needed until they enter Kindergarten.

**Registration opens June 1! Go to [wcsea.us](http://wcsea.us) and click on the link (front page) for preschool registration.** The page you are linked to will have four online forms that you will complete and submit. The forms can be completed on a phone, tablet, or computer. You will also find the parent handbook for the program here. At the bottom of the page, find your child's school/program. All of the information including the calendar, school supply list, orientation/back to school date and a letter from the teacher with start dates/times.

You will bring school supplies to your Back to School visit day (listed in the letter from your teacher). Please keep in mind that all paperwork must be received and a parent must attend back to school day before your child can start school.

If you have questions that come up over the summer and can't reach your child's teacher, please feel free to text, call, or email me. My email is [mwhalen@wcsea.us](mailto:mwhalen@wcsea.us). My cell phone is (309) 635-2542 and texting is the fastest way to reach me. I will have class lists and information with me at home and am happy to help you! If you know you will not be enrolling your child, please contact me right away.

Enjoy the summer learning bags!
