Re: Registration information

Summer is almost here which means we will say goodbye for a few months. I hope you all have a safe summer and enjoy time together as a family. It means a lot that you have chosen Bright Beginnings for your child. I truly mean this when I say that life changing moments happen in preschool classrooms every day. Below you find instructions for registration for the 24-25 school year.

Your child does not need another screening. They are on the list to return to the classroom program. A new physical is not needed until they enter Kindergarten. Please contact Mrs. Messer before the end of the school year if you would like to change sessions.

Returning students need to register again. You will receive an email from Anee Meinhold at WCSEA in May with the link to registration. The supply list, letter from Mrs. Messer, parent handbook and important dates can be found at wcsea.us. Click on *Preschool Classroom Program 24-25*. If you have questions that come up over the summer and can't reach your child's teacher, please feel free to text, call, or email me. My email is mwhalen@wcsea.us. My cell phone is (309) 635-2542 and texting is the fastest way to reach me. I will have class lists and information with me at home and am happy to help you! If your child will not be returning to our program, please contact me right away.
