Please note that the terms of our grant do not allow us to charge a fee for the program nor require supplies be provided by families. However, we ask for the above items simply to help provide basic things so that the program is beneficial to all. No child will be excluded due to an inability to contribute.

Additionally, we always welcome donations of supplies, books, clothing, art materials, and games throughout the year. Students love finding new items and sharing them with the class, especially around the holidays! Please do not hesitate to send things if you find that you have extra lying around!

Thank you for any contributions you can make!
